

Effective Writting Communication

Ust. Sahar Hassan

Effective Writing Communication Le. (5)

- **Out Comes of the lecture:**
- Introduction to Effective Writing.
- Defination of written communication.
- Stage of writing process.
- Sub-Siklls of Writing.
- When we use written communication.
- Example of written communication
'Memo'

Effective Writing

➤ Effective Writing:

- Writing skill is the **ability** to write accurate, it is a productive skill and involves producing language rather than receiving it, writing skill is specific ability which help writers put their **thought** into words in **meaningful** form.

A written Communication

➤ A written Communication:

- Means the **sending** of message, orders or instructions in writing **through** letters, reports, office memos, etc is a formal method of communication.

Stages of Writing Process

➤ Stage of writing process:

1. **P**rewriting.
2. **R**evising editing.
3. **P**resentation.

Stages of Writing Process

1. Prewriting:

- **Prewriting** is the stage of **getting**-ready-to-write.
- In this stage:
 - ✓ the student chooses a topic.
 - ✓ organizes ideas for writing.

Stages of Writing Process

2. Drafting:

- **Drafting** stage is the time to write down ideas with little concern about spelling, punctuation and other mechanical error.

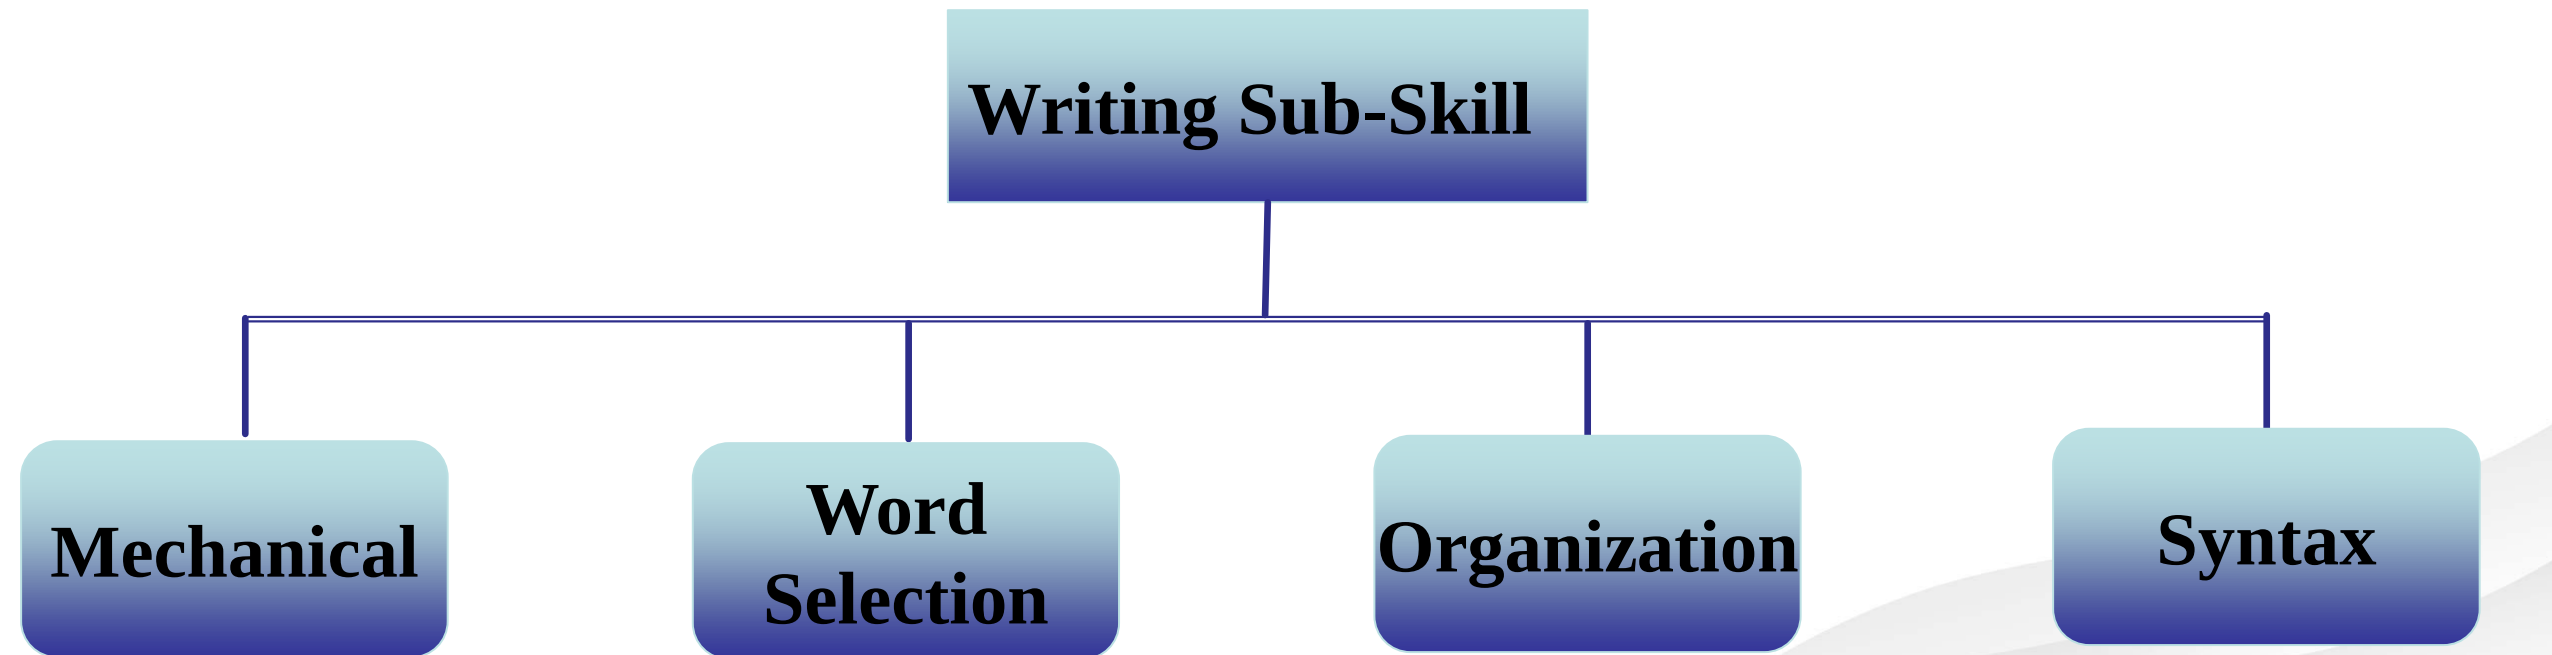

Stages of Writing Process

3. Revision is the third stage, the writer **refines** ideas in his compositions.
- Activities in this stage are reading the rough draft in a writing group and revising on the the basis of feed back.
 - Editing stage is the state of putting the piece of writing into its final form.

Sub-Siklls of Writing

- The writing skill includes a number of sub-skills.

Sub-Siklls of Writing

Sub-Siklls of Writing

3. Organization:

Which includes Praghraps, Topics.

4. Syntax:

Which includes **Sentence** structure according to different grammatical rules.

When we use written communication ?

- When is written communication most effective and when it is not?
 - There are number of factors that can help you make that choice:
 1. Complexity of the topic:
 - Using written communication is an excellent choice for sharing information that is easily understand by independent reader.

When we use written communication ?

- This mean that reader can read the communication and get the message cliary without a additional information from you or other sources. Meeting notice, Answers to quick questions or quick clarifactions are all easy to complete with written communication.

When we use written communication ?

2. Formal Communication:

- Written communication is still the common choice when the level of formality between two parties.
- for example, think about your customers or clients chance are that formal communication such a contract terms sale, agreement, account information or other legal information will be transmitted in written communication.

When we use written communication ?

3. Highly Complex topics or lengthy explain

- Highly Complex topics or lengthy explain not good choices for normal communication.
- The amount of explanation required to make the information intelligible might be cumbersome leading to misinterpretation or lack of understanding, in this cases you would have face to face meeting or formal training session.

Example of written communication 'Memo'

➤ there is example of Memo:

Change Management Memorandum

Date: May, 15, 2024

From: Jonathan Bennigton

To: All Employees

Subject: Change in Organizational Structure

Example of written communication 'Memo'

Pleas be informed of the slight changes in our organizational structure, particularly in the credit and collection and accounting departments. The management has decided to merge the two departments effective June 3, 2024, under the supervision of Kevin Smith.

the management expects all employees of the departments to cooperate during this transition.

Thank you very much.

Thank You
