Types of Communication

2. Informal Communication:

Known as **grapevine** communication, is using channels that are in **contrast** with formal communication channels.

It's just **casual talk.**

Types of Communication

- It **stablished** for social **affiliation of** memebers in as organization and face to face discussions. it happens among frindes or family.
- In formal communication **use** of slang words foul language is not **restricted**. usually in formal communication is done orally.

Types of Communication

- in an organization, it helps in finding out staff **grievances** as people **express** more than talking **informally**.
- Informal communication **helps** in **building relationships**.

Business Report

✓ Business Report:

- Reports are a valuable business communication tool because they help people exchange details and make decisions.
- To making a small business report, you need to be as comprehensive as possible so if you need to make this document, then you are at the right place.

Business Report

➤ A definition of Business Report:

- **A formal** communication written for a specific purpose that includes a description of procedures followed for collection and analysis of data. their significance, the conclusions drawn from them and the recommendations.
if required.

Buseness Report

➤ so,

- a business report can be defined as an organised, written statement of facts related to a specific business matter.
- It helps the interested persons to get insight into the problem and assists in decision-making and problem solving.

Why do We Write Report

- The main objective of reports is to help a business to take accurate and pragmatic(correctly) decisions. we **compile (need)** reports for many reasons:
 1. To **carry** business information to relevant parties.
 2. To **analyes** data for interpretation.
 3. To help **planning** by providing factual information.

Why do We Write Report

5. To **help** decision-making by providing necessary information.
6. To help **establish** effective control systems.
7. To help **reduce** and resolve organizational disputes(conflict).
8. To find out the reasons behind a problem.

Types of Report

➤ Types of Report:

✓ Monthly reports:

- document **progress** toward **achieving** goals/ objectives of an organization.
- **Summary** of all organizational **activities** for the month.
